2.2 Interpretation

In these Conditions:

- (a) any reference to principal shall be deemed to include the principal amount of the Notes, any Additional Amounts thereon and any other amount in the nature of principal payable pursuant to these Conditions; and
- (b) any reference to interest shall be deemed to include any Additional Amounts thereon and any other amount in the nature of interest payable pursuant to these Conditions.

3 STATUS AND SUBORDINATION

The Notes constitute direct, unconditional and unsecured subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and:

- (a) junior to any unsubordinated obligations of the Issuer (including liabilities to policyholders, beneficiaries and other non-subordinated creditors of the Issuer) and any other present or future subordinated obligations of the Issuer which rank, or are expressed to rank, senior to the Notes;

- (b) at least equally with the Issuer's payment obligations in respect of any Parity Securities including, without limitation, any Tier 2 Own Funds (or subordinated obligations of the Issuer which would, but for any applicable limitation on the amount of such capital, constitute Tier 2 Own Funds); and
- (c) senior to the Issuer's payment obligations in respect of any Junior Securities.

4 INTEREST

The Notes bear interest from (and including) the First Issue Date at the rate of 5.10 per cent. per annum, (the "**Rate of Interest**") payable – subject to Condition 5 (*Mandatory Deferral of Interest*) below – annually in arrear on 28 September in each year (each, an "**Interest Payment Date**") commencing on 28 September 2022, subject as provided in Condition 7 (*Payments*).

Each Note will cease to bear interest from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which case it will continue to bear interest at such rate (both before and after judgment) until whichever is the earlier of (a) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (b) the day which is seven days after the receiving of all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

The amount of interest payable on each Interest Payment Date shall be €5,100.00 in respect of each Note of €100,000 denomination. If interest is required to be paid in respect of a Note on any other date, it shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest cent (half a cent being rounded upwards) and multiplying such rounded figure by a fraction equal to the denomination of such Note divided by the Calculation Amount.

5 MANDATORY DEFERRAL OF INTEREST

(a) **Mandatory deferral of interest**

The Issuer shall defer payment of all or some only of the interest accrued to an Interest Payment Date ("**Mandatory Interest Deferral Date**") in respect of the Notes if:

- (i) a Solvency Capital Event has occurred and will be continuing on such Interest Payment Date, or would be caused by the payment by the Issuer of interest and/or Deferred Interest (or the relevant part thereof) on the relevant date, in each case until the Solvency Capital Event has been remedied and any payment of interest and/or Deferred Interest (or the relevant part thereof) would not lead to a Solvency Capital Event; or
- (ii) the Solvency Condition is not satisfied at such Interest Payment Date,
(each a "**Mandatory Interest Deferral Event**"),

provided, that in the case of (i) above, the relevant Interest Payment Date will not be a Mandatory Interest Deferral Date in relation to such interest (or such part thereof) if:

- (a) the Relevant Supervisory Authority has, prior to such Interest Payment Date, exceptionally waived the deferral of such interest payment (to the extent the Relevant Supervisory Authority can give such waiver);
- (b) payment of such interest does not further weaken the solvency position of the Issuer; and
- (c) the Minimum Capital Requirement is complied with after the payment of such interest is made

(sub-(a) to sub-(c) together, the "**Interest Deferral Waiver Conditions**").

Where the Interest Deferral Waiver Conditions are satisfied only after the relevant Interest Payment Date, the Issuer may, at its discretion, make the relevant interest payment in respect of which the Interest Deferral Waiver Conditions have been satisfied on a date following satisfaction of such conditions, such date to be notified by the Issuer to the Noteholders in accordance with Condition 14 (*Notices*), *provided that* no additional interest shall be due from the Issuer.

Notice of any deferral of interest must be given to Noteholders (in accordance with Condition 14 (*Notices*)) as soon as reasonably practicable, *provided that* failure to deliver notice shall not invalidate the relevant deferral of interest.

If interest is deferred pursuant to this Condition 5, the Issuer shall have no obligation to make such payment and any such non-payment of interest shall not constitute a default of the Issuer or any other breach of obligations under the Notes or for any other purpose and will not give Noteholders any right to accelerate repayment of the Notes, demand penalties or any other compensation or take any other action under the Notes.

A "**Solvency Capital Event**" is deemed to have occurred if there is non-compliance with the Solvency Capital Requirement or Minimum Capital Requirement (whichever occurs earlier) and a deferral of interest payments (or the relevant part thereof) or suspension of redemption in respect of the Notes is therefore required on the basis that the Notes are intended to qualify under the Relevant Regulations as Tier 2 Own Funds, where such non-compliance shall be deemed to have occurred if the own funds of the Issuer, on a consolidated or non-consolidated basis, is not sufficient to cover the Solvency Capital Requirement or the Minimum Capital Requirements (or the then applicable and corresponding capital adequacy requirements) of the Issuer and/or the Group, in each case as determined in accordance with the Relevant Regulations.

All payments under or arising from the Notes shall be conditional upon (a) the Issuer being solvent at the time of payment by the Issuer, and no amount shall be payable under or arising from the Notes unless and until the Issuer could make such payment and still be solvent immediately thereafter; and (b) that such payment will not otherwise accelerate the process of the Issuer becoming insolvent (the "**Solvency Condition**").

For the purpose of the Solvency Condition, "**solvent**" means that the Issuer is able to pay its debts owed to its creditors as they fall due and it is not in a situation of serious, evident and permanent insufficiency of the assets required to meet its obligations in respect of payments under insurance contracts, or such different meaning as may be ascribed to such term in the Italian laws and regulations applicable from time to time, and the term "**insolvent**" shall be interpreted accordingly.

- (b) **Deferred Interest**

- (i) Any unpaid amounts of interest deferred will constitute arrears of interest ("**Deferred Interest**"). Deferred Interest shall not itself bear interest.
- (ii) Deferred Interest may, subject to the provisions of Condition 5(a) (*Mandatory deferral of interest*) above, at the option of the Issuer, be paid in whole or in part (in such latter case the payment in respect of any Note and in respect of any period will be made pro rata to the total amount of all unpaid Deferred Interest in respect of that period to the date of payment) at any time; and shall become due and payable, in whole, on the earliest of:
 - (A) the next Interest Payment Date which is not a Mandatory Interest Deferral Date; or
 - (B) the date fixed for any redemption of the Notes in accordance with these Conditions (subject to any suspension of such redemption pursuant to Condition 6(g) (*Conditions to Redemption*)); or
 - (C) the date on which voluntary or involuntary winding-up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa* pursuant to the Consolidated Law on Private Insurance Companies) proceedings are instituted in respect of the Issuer,

provided in the case of (A) and (B) above that Deferred Interest may only be paid if the Relevant Supervisory Authority has given and has not withdrawn its prior consent to payment of the relevant amounts (if such prior consent is so required under applicable legislation at the relevant time).

Notice of payment of any Deferred Interest shall be given to Noteholders (in accordance with Condition 14 (*Notices*)) as soon as reasonably practicable.

6 REDEMPTION AND PURCHASE

- (a) *Scheduled redemption*: Unless previously redeemed or purchased and cancelled as provided below, the Notes will be redeemed at their principal amount on the Maturity Date, together with Deferred Interest (if any) and any other accrued but unpaid interest up to (but excluding) the Maturity Date subject as provided in Condition 7 (*Payments*) and Condition 6(g) (*Conditions to Redemption*). The Notes may not be redeemed at the option of Noteholders.
- (b) *Optional Redemption by the Issuer on or after the First Call Date*: The Notes may be redeemed at the option of the Issuer, subject to the provision of Condition 6(g) (*Conditions to Redemption*) in whole, but not in part, on the First Call Date and on any Interest Payment Date thereafter at their principal amount together with Deferred Interest (if any) and any other accrued but unpaid interest thereon, subject to having given not less than 30 nor more than 45 calendar days' prior notice to the Noteholders (in accordance with Condition 14 (*Notices*)).
- (c) *Redemption for tax reasons*: The Notes may be redeemed at any time, in whole or in part, at their principal amount, together with Deferred Interest (if any) and any other accrued but unpaid interest up to (but excluding) the redemption date, subject to having given no less than 30 nor more than 45 calendar days' prior notice to the Noteholders (in accordance with Condition 14 (*Notices*)) (and subject to Condition

6(g) (*Conditions to Redemption*)), at the option of the Issuer upon the occurrence of a Tax Event.

A "**Tax Event**" is deemed to have occurred if:

- (A) the Issuer has or will become obliged to pay Additional Amounts (as defined in Condition 8 (*Taxation*) below) as a result of any change in, or amendment to, the laws or regulations of a Taxing Jurisdiction or any political subdivision or any authority thereof or therein having power to tax (including any treaty to which such Taxing Jurisdiction is a party), or any change in the application or official or generally published interpretation of such laws or regulations (including a change or amendment resulting from a ruling by a court or tribunal of competent jurisdiction), which change or amendment becomes effective on or after the First Issue Date, and such obligation cannot be avoided by the Issuer taking reasonable measures it deems appropriate; or
- (B) the deductibility of interest payable by the Issuer in respect of the Notes is materially reduced for income tax purposes as a result of any change in, or amendment to, the laws or regulations or applicable accounting standards of the Taxing Jurisdiction or any political subdivision or any authority thereof or therein having power to tax (including any treaty to which the Taxing Jurisdiction is a party), or any change in the application or official or generally published interpretation of such laws or regulations or applicable accounting standards (including a change or amendment resulting from a ruling by a court or tribunal of competent jurisdiction), which change or amendment becomes effective on or after the First Issue Date, and such non-deductibility cannot be avoided by the Issuer taking reasonable measures available to it.

(d) *Redemption for regulatory reasons:*

The Notes may be redeemed at any time, in whole or in part, at their principal amount, together with Deferred Interest (if any) and any other accrued but unpaid interest up to (but excluding) the redemption date, subject to having given no less than 30 nor more than 45 calendar days' prior notice to the Noteholders (in accordance with Condition 14 (*Notices*)) (and subject to Condition 6(g) (*Conditions to Redemption*)), at the option of the Issuer upon the occurrence of a Regulatory Event.

A "**Regulatory Event**" is deemed to have occurred if:

- (A) the Issuer is no longer subject to the regulatory supervision of the Relevant Supervisory Authority; or
 - (B) the Issuer (x) is subject to regulatory supervision by the Relevant Supervisory Authority and (y) is no longer permitted to treat the Notes (in whole or in part) as eligible for the purposes of the determination of the solvency margin or capital adequacy levels of the Issuer and/or the Group as at least Tier 2 Own Funds, except where this is merely the result of exceeding any then applicable limits on the inclusion of the Notes as own funds, or Tier 2 Own Funds, as the case may be.
- (e) *Purchase:* The Issuer may - subject to prior approval of the Relevant Supervisory Authority if so required under applicable legislation at the relevant time (and subject

to the Conditions to Purchase) – at any time purchase Notes in the open market or otherwise and at any price.

- (f) *Cancellation*: All Notes so redeemed or purchased by the Issuer shall be cancelled and may not be reissued or resold.
- (g) *Conditions to Redemption*: Any redemption or purchase of the Notes (including redemption at Maturity Date) as described above is subject to the following conditions (the "**Conditions to Redemption**" or, as applicable, "**Conditions to Purchase**"):
 - (i) the Issuer has obtained the prior approval of the Relevant Supervisory Authority; and
 - (ii) unless the Suspension Waiver Conditions are satisfied, no Solvency Capital Event has occurred and is continuing on the date due for redemption or the proposed date for the purchase of the Notes, and such redemption or, as the case may be, purchase would not itself cause a Solvency Capital Event to occur; and
 - (iii) the Solvency Condition is satisfied on the date due for redemption or the proposed date for the purchase of the Notes and such redemption or, as the case may be, purchase would not itself cause the Solvency Condition not to be satisfied; and
 - (iv) in the case of any redemption or purchase that is within five years of the First Issue Date, such redemption or purchase shall be funded out of proceeds of a new issuance of, or the relevant Notes are exchanged or converted into, another basic own-fund item of at least the same quality as the Notes,

unless, with reference to each of sub-(i) to sub-(v) above, such condition is no longer a requirement under then prevailing Relevant Regulations in order for the Notes to qualify as regulatory capital of the Issuer.

In addition, if, at the time of any redemption or purchase, the then prevailing Relevant Regulations permit the redemption and/or purchase of the Notes only after compliance with one or more pre-condition(s) in alternative or in addition to those set out in sub-(i) to sub-(v) above, the Issuer shall comply with such other and/or, as appropriate, additional pre-condition(s) and the term "**Conditions to Redemption**" or, as applicable, "**Conditions to Purchase**" shall be deemed to include such other and/or, as appropriate, additional pre-condition(s).

If and for so long as the Conditions to Redemption are not satisfied, any redemption of the Notes pursuant to Condition 6(b) (*Optional Redemption by the Issuer on or after the First Call Date*), Condition 6(c) (*Redemption for tax reasons*) or Condition 6(d) (*Redemption for regulatory reasons*) above already notified to the Noteholders, or scheduled redemption of the Notes on the Maturity Date pursuant to Condition 6(a) (*Scheduled redemption*) above, shall (subject to the paragraph immediately below) be suspended and the relevant redemption date postponed in accordance with Condition 6(h) (*Suspension of redemption following Solvency Capital Event*) or Condition 6(i) (*Suspension of redemption on Solvency Condition not being satisfied*) below.

Notwithstanding the occurrence of a Solvency Capital Event, but always subject to all other Conditions to Redemption or, as applicable, Conditions to Purchase, being satisfied, the Issuer may redeem or, as the case may be, purchase the Notes if:

- (A) the Relevant Supervisory Authority has exceptionally waived the suspension of the redemption or purchase of the Notes; and
- (B) the relevant Notes are exchanged for or converted into another basic own-fund item of at least the same quality or the redemption or purchase of the Notes is funded out of proceeds from the issuance of own funds of at least the same quality; and
- (C) the Minimum Capital Requirement is complied with after the redemption or purchase

((A) to (C) together, the "**Suspension Waiver Conditions**"). Any redemption of the Notes following satisfaction of the Suspension Waiver Conditions may take place on the original redemption date or on a date (specified in the notice to be delivered by the Issuer to the Noteholders) subsequent thereto following satisfaction of the Suspension Waiver Conditions.

In the event of any suspension of redemption pursuant to this Condition 6(g), interest shall – subject to Condition 5 (*Mandatory deferral of interest*) - continue to accrue on the Notes until such Notes are redeemed in full.

- (h) *Suspension of redemption following Solvency Capital Event*: If a suspension of the redemption of the Notes results from the occurrence of a Solvency Capital Event, the Notes shall – subject in the case of (i) and (ii) below, to the Solvency Condition being satisfied and continues to be satisfied on the relevant date – instead become due for redemption at their principal amount, together with Deferred Interest (if any) and any other accrued but unpaid interest up to (but excluding) the redemption date upon the earliest of:
 - (i) the date (specified in the notice to be delivered by the Issuer to the Noteholders) falling 10 Business Days after the date the Solvency Capital Event has been remedied (provided that if on such tenth Business Day a further Solvency Capital Event has occurred and is continuing or redemption of the Notes would itself cause a Solvency Capital Event to occur, then the Notes shall not be redeemed on such date and the provisions of this paragraph shall apply *mutatis mutandis* to determine the subsequent date for redemption of the Notes); or
 - (ii) the date (specified in the notice to be delivered by the Issuer to the Noteholders) falling 10 Business Days after the Relevant Supervisory Authority has agreed to the redemption of the Notes; or
 - (iii) the date on which voluntary or involuntary winding-up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa* pursuant to the Consolidated Law on Private Insurance Companies) proceedings are instituted in respect of the Issuer.
- (i) *Suspension of redemption on Solvency Condition not being satisfied*: If a suspension of the redemption of the Notes results from the non-satisfaction of the Solvency Condition, the Notes shall instead become due for redemption, at their principal

amount together with Deferred Interest (if any) and any other accrued but unpaid interest up to (but excluding) the redemption date, on the earlier of:

- (i) the date (specified in the notice to be delivered by the Issuer to the Noteholders) falling 10 Business Days immediately following the day on which the Solvency Condition is satisfied, provided that if on such tenth Business Day the Solvency Condition is no longer satisfied, or a Solvency Capital Event has occurred and is continuing, or would occur if the Notes were to be redeemed, then the Notes shall not be redeemed on such date and Conditions 6(g) (*Conditions to redemption*) and 6(h) (*Suspension of redemption following Solvency Capital Event*) (if such further suspension is due to a Solvency Capital Event) or Condition 6(g) (*Conditions to redemption*) and this Condition 6(i) (*Suspension of redemption on Solvency Condition not being satisfied*) (if such further suspension is due to the operation of the Solvency Condition) shall apply *mutatis mutandis* to determine the date of the redemption of the Notes; or
 - (ii) the date on which voluntary or involuntary winding-up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa* pursuant to the Consolidated Law on Private Insurance Companies) proceedings are instituted in respect of the Issuer.
- (j) Notice of suspension: Notice of any suspension of redemption must be given to Noteholders (in accordance with Condition 15 (*Notices*)) as soon as reasonably practicable. The Issuer shall also notify the Noteholders (in accordance with Condition 15 (*Notices*)) of the date on which the Notes are to be redeemed following satisfaction of the Suspension Waiver Conditions (if a prior notice of suspension has been given) or pursuant to sub-paragraphs (i) or (ii) of Condition 6(h) (*Suspension of redemption following Solvency Capital Event*) or sub-paragraph (i) of Condition 6(i) (*Suspension of redemption on Solvency Condition not being satisfied*) above as soon as reasonably practicable. Failure to deliver notice shall not invalidate any suspension of redemption.
- (k) Suspension of redemption shall not constitute default: Any suspension of redemption of the Notes in accordance with Condition 6(g) (*Conditions to redemption*), Condition 6(h) (*Suspension of redemption following Solvency Capital Event*) or Condition 6(i) (*Suspension of redemption on Solvency Condition not being satisfied*) above will not constitute a default by the Issuer or any other breach of obligations by the Issuer under these Conditions and will not give Noteholders any right to accelerate the Notes such that amounts of principal, interest or Deferred Interest would become due and payable on the Notes earlier than otherwise provided under these Conditions.

7 PAYMENTS

- (a) Principal and interest: Payment of principal and interest in respect of the Notes will be credited, according to the instructions of Monte Titoli, by the relevant Paying Agent (as defined below) on behalf of the Issuer to the accounts of those banks and authorised brokers whose accounts with Monte Titoli are credited with those Notes and thereafter credited by such banks and authorised brokers from such aforementioned accounts to the accounts of the beneficial owners of those Notes.

- (b) *Payments subject to fiscal laws:* All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 8 (*Taxation*). No commissions or expenses shall be charged to the Noteholders in respect of such payments.
- (c) *Payments on business days:* If the due date for payment of any amount in respect of the Notes is not a business day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding business day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.

In this paragraph, "**business day**" means, in respect of any place of presentation, any day on which banks are open for presentation and payment of bearer debt securities and for dealings in foreign currencies in such place of presentation and, in the case of payment by transfer to a Euro account as referred to above, on which the TARGET System is open.

8 TAXATION

All payments of principal and interest in respect of the Notes by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed or on behalf of the Republic of Italy or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts ("**Additional Amounts**") as will result in receipt by the Noteholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable in respect of any Note:

- (i) in the Republic of Italy; or
- (ii) by or on behalf of a holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of its having some connection with the Republic of Italy other than the mere holding of such Note; or
- (iii) to the extent that interest or any other amount payable is paid to a non-Italian resident entity or a non-Italian resident individual which is resident for tax purposes in one of the countries or territories not allowing the Italian tax authorities to obtain appropriate information in respect of the beneficiary of the payments made from the Republic of Italy (the states allowing for an adequate exchange of information with the Republic of Italy are those listed in Ministerial Decree of 4 September 1996, as amended and supplemented); or
